## THE 2012 COSTA RICA STUDY VISIT

Applications are now being accepted from current educators for the 2012 Costa Rica Study Visits scheduled July 10-19 (**Tour 1**) and July 20-29 (**Tour 2**). All applications must be **submitted by email, fax, or mail** to Leslie Hodges by **December 1, 2011** **February 17, 2012**. Please note that these study visits require a minimum of 12 per trip in order to operate.

**Please read the application materials carefully.**

### STUDY VISIT GOALS

The goal of the Study Visit is to help educators become leaders for global education by looking beyond the borders of North Carolina and experiencing a culture, country, and people different from their own. In addition to the Spanish language, educators will learn about Costa Rica's education system, development and environmental issues. We will also explore significant cultural and historical sites and interact with Costa Rican families. This Study Visit is intended to be a unique and challenging professional development opportunity---not a tourist trip! To best prepare for the Study Visit, participants are required to attend a day-and-a-half seminar on Latin America and North Carolina (**March 27-28, 2012**) in Chapel Hill. Following the Study Visit, participants will attend a follow-up workshop in **August 2012**. Knowledge, strategies, and experiences from the seminar, the Study Visit, and the follow-up workshop will give participants the ability to add global content to their teaching and help their schools and colleges become more global in focus.

### STUDY VISIT ITINERARY

Participants will learn first-hand about the culture and education of Costa Rica through the organization *Spanish Immersion Costa Rica*. Highlights of the itinerary include: rural school visits, community service projects, museum and market visits in capital city San José, regular “Spanish for Educators” language classes, ecological expeditions to a volcano, the rainforest, coastal attractions, and much more. Participants will also enjoy grassroots cultural activities in Costa Rican cooking and Latin dance instruction. All participants will stay with host families in the coffee growing community of Atenas, Costa Rica.

*(Itinerary subject to change. A final itinerary will be mailed to participants at a later date.)*

### STUDY VISIT ELIGIBILITY

The ideal candidate is an educator who is committed to global education and adding global content and activity to their school or college. World View considers international travel to be an essential aspect of being well-educated in the 21<sup>st</sup> century, and we seek candidates who have not yet had an opportunity to travel abroad. World View's Study Visits to Costa Rica are open to any full-time educator, yet priority will be given to educators who are part of one of World View's partner schools systems, schools, or colleges. Secondary priority will be given to educators who have not traveled internationally in the past. Participants of all other past World View Study Visits may submit an application, but will be placed on a waitlist.

#### **NOTE TO WORLD VIEW PARTNERS**

World View has formal partnerships with over 100 school systems, schools, and colleges. For a list of World View partners, please see <http://worldview.unc.edu>.

One of the benefits of being a World View partner is a guaranteed spot on one of our study abroad visits, but you must notify us and submit a \$500 deposit for each space you wish to reserve by December 1, 2011.

If you are interested in joining the Costa Rica trips, please contact the World View partner liaison at your school or college. If you do not know who your liaison is, please contact World View and we will give you your liaison's name.

I am fully aware that the risks and hazards associated with foreign travel and residence include, but are not limited to, accident, illness, injury, natural disaster, war, and civil disturbance. I acknowledge that my participation in this activity is elected by me and not required. I voluntarily assume full responsibility for any risk of loss, damage, or personal injury, including death, and for any property damage that may be sustained by me as a result of participation in this activity. I am also fully aware that both 2012 Costa Rica Study Visits require a minimum of 12 participants to operate.

### **Consent for Medical Treatment**

In the event of illness or injury, I hereby authorize the program director, staff, or other agents to obtain emergency or other medical treatment for me as deemed necessary, including administration of an anesthetic or other medication and surgery, and I hereby assume the cost of such treatment. I understand that this authorization is given in advance of any specific diagnosis, treatment, or hospital care being required but is given to provide authority and power on the part of the University to give specific consent to the diagnosis, treatment, or hospital care which in the best judgment of a licensed physician is deemed advisable.

I agree to be responsible for and to pay the costs of my medical, optical, dental, pharmaceutical and similar services incurred while traveling if such are not covered by the required supplemental insurance.
