## WORLD VIEW'S 2017 SOUTH AFRICA STUDY VISIT

World View's Study Visits are designed to help educators become leaders for global education by looking beyond the borders of North Carolina and experiencing a culture, country, and community different from their own. As such, our Study Visits are designed to be a unique and challenging professional development opportunity—**not a tourist trip!**

Educators who participate in the South Africa Study Visit can expect to:

1. Interact with and learn from communities in Durban, Johannesburg, and Cape Town
2. Explore the educational system in South Africa through K-12 and postsecondary school visits and discussions with school officials
3. Examine the contemporary impact of historical events through the lens of Apartheid
4. Engage in critical self-reflection throughout the experience
5. Design content-aligned learning experiences for students

## CONDITIONS OF PARTICIPATION IN ACTIVITY OUTSIDE THE UNITED STATES

I understand and hereby acknowledge and agree as follows:

### HAZARDS AND RISKS OF INTERNATIONAL PROGRAMS

Participation in the Activity may entail dangers, hazards, and risks associated with international travel and activity outside the United States. These risks include, but are not limited to dangers associated with air travel and all other modes of transportation; foreign political, legal, social, and economic conditions, including terrorism, crime, civil unrest, kidnapping, and violence; foreign standards of design, safety, and maintenance of facilities (including unsecure computing and wireless facilities), buildings, and public places; foreign sanitation, medical conditions, and disease; and natural disasters such as earthquakes, tsunamis, and other extreme weather conditions. Any of these risks could result in damage to my property and privacy, illness, injury, and/or death.

### HEALTH AND SAFETY

I will not participate in the Activity if my medical practitioner advises that participation presents a direct threat to my health or safety or the health or safety of others. I will have and take with me requisite quantities of any personal medications for the duration of the Activity, and I assume responsibility to administer my own medications.

I have reviewed applicable U.S. Department of State (“DOS”) information concerning travel to and around the foreign countries that I will visit in connection with the Activity (available at <http://travel.state.gov/>). I understand that it is my responsibility to determine the medical and other risks associated with any country I intend to visit. I have obtained up-to-date vaccinations and immunizations advised by DOS and/or the Centers for Disease Control and Prevention (available at <http://wwwnc.cdc.gov/travel/>), consistent with any instructions provided by my medical practitioner or the Activity’s conditions of participation.

DOS may issue travel and other warnings from time to time in order to alert the public to safety and security concerns in foreign countries. If such a warning is issued for any country to which I am traveling, I have read in full the pertinent warning. DOS has advised travelers to avoid certain countries and certain regions within certain countries. Notwithstanding DOS travel and other such warnings, I accept the risks of participation in the Activity. If, for any reason, I must immediately evacuate a foreign country that I am visiting in connection with the Activity, I may need to personally arrange such evacuation notwithstanding any UNC risk management program that may apply to the Activity.

I acknowledge that the University’s “Policy Concerning Global Study, Travel, and Research” applies to the Activity and that my travel and/or funding may be terminated under the circumstances set out in that policy at: <https://provost.unc.edu/files/2016/01/UNC-Travel-Policy-Final.pdf>

In the event of illness or injury, I authorize the program director or other agents to obtain emergency or other medical treatment for me as deemed necessary, including administration of an anesthetic or other medication and surgery, and I hereby assume the cost of such treatment. I understand that this authorization is given in advance of any specific diagnosis, treatment, or hospital care being required but is given to provide authority and power on the part of UNC to give specific consent to the diagnosis, treatment, or hospital care which in the best judgment of a licensed physician is deemed advisable. In the event that UNC provides any medical, safety, emergency, or other assistance to me, which I hereby authorize, I understand that such assistance does not diminish my sole responsibility for my own health and safety otherwise, and I agree to pay all expenses related to UNC’s assistance to me and hereby release UNC from any liability for any such actions or for payment for such authorized treatment.

## **INSURANCE**

I am responsible for my medical care while outside the United States. Supplemental International health evacuation and repatriation insurance coverage is included in the price of the study visit. I am solely responsible for the payment of any costs incurred in treatment that my insurance does not cover, and UNC bears no responsibility to me for sickness or injuries sustained by me in connection with my travel and participation in the Activity or for medical treatment.

## **PHOTOGRAPH CONSENT**

I hereby grant The University of North Carolina at Chapel Hill the irrevocable right and permission to photograph or videotape my participation in the Study Visit and to use the photograph(s) and/or videotaped image(s) in any and all flyers, publications, Internet websites, audiovisual presentations, promotional literature, or for any other similar purpose without compensation to me. I understand and agree that I may be identified by name in printed, Internet, or broadcast information that might accompany the photograph or image. I agree that all such portraits, pictures, photographs, video, and audio recordings and any reproductions thereof, and all plates, negatives, recording tape, and digital files shall remain the property of The University. I waive the right to approve the final product.

I hereby release and forever discharge The University, its trustees, agents, and employees, from any and all claims and demands arising out of or in connection with the use of said photographs/images, including but not limited to, any claims for invasion of privacy, appropriation of likeness, or defamation.

I will comply with all applicable law and regulations, including laws that pertain to immigration, customs, entry/exit of foreigners, and export/import control, and will not engage in any unlawful conduct during the Activity. I will not purchase, possess, and/or use any illegal substances during the Activity, including drugs that are illegal in the United States and/or the country that I visit.

I am responsible for making restitution to the University for any damage arising from my conduct while participating in the Activity in an amount determined by the University.

## **ADDITIONAL PROVISIONS**

If the Activity or any aspect of it is cancelled or modified, the applicable UNC policies will govern any refund of tuition, fees, and other charges. If I remain in a foreign country after the Activity or my

participation in it ends, I remain there at my own risk and cannot expect assistance or support from UNC. UNC may withdraw me from the Activity should my conduct not conform to the requirements set forth in these Conditions of Participation.

I understand and agree that, in accordance with the **refund policy**, as outlined below, if I cancel my participation in the Study Visit

I understand that, in the event I desire to cancel, I must give the World View director written notice of withdrawal and the World View director will forward the notice and request to the contracted tour company or host agency.

Trip Cancellation Insurance. I understand and acknowledge that, if I elect to purchase trip cancellation insurance, such insurance will provide financial protection in case the trip is cancelled or I cancel my participation in the trip based on the policy. I further acknowledge and agree that, if I elect to apply for such insurance, I am responsible for its cost, and that World View does not provide this service.

Responsibility for Costs. Except as otherwise provided by the Activity's terms or as agreed in writing by UNC, UNC is not responsible for any charges or costs associated with my participation in the Activity, including, but not limited to: (i) transportation costs and fees, including baggage, hotel, or room charges, or transit within or outside the country in which the Activity takes place; (ii) fees associated with passport and/or visa applications, or country entry/exit fees; (iii) transportation carrier penalties, re-booking fees, fare changes, missed connections or reservations, or loss by reason of changes made to an Activity; (iv) loss by reason of acts of God or criminal activity; (v) loss of my baggage and/or personal property; (vi) denial of my entry into and/or exit from a foreign country; (vii) my personal costs associated with participation in the Activity; (viii) my early or unplanned withdrawal from the Activity; (ix) costs relating to guests or family visiting me in connection with the Activity; or (x) my early return to the United States for any reason.
