

Optional material for Activity 10 El consumo

Spanish 2 Unit 3 nombre _____ fecha _____

Task: For a service learning project, you have been asked to make a poster to get teens to be mindful of what they consume, how much they consume, and their habits about consumption. For example, you might want to say, Eat less fast food, Shop local!, Plant a community garden to share with the family. The posters will be posted in a rec center attended by families who only speak Spanish. On the top, make a logo for your poster and a title You may work with peers, but in the end, every student must turn in a sample of their poster on this sheet. This task just may become a flipgrid video!
