

Name _____

Cause or Effect?

Directions: Investigate the image provided. Using the knowledge you have about climate change, determine whether this is an example of a **cause** of climate change, or an **effect** of climate change.

Image Title: _____

Image Description:

Claim: (Is it a cause of climate change, or an effect of climate change?)

Evidence: (What evidence do you see in the image to support your claim?)

Reasoning: (Which scientific principle(s) connect your evidence to your claim?)
