### Picking up the Pieces

**Part A.** Take the puzzle pieces out of the bag. Arrange the pieces to create a complete image, and then answer the questions that follow.

1. What do you see in this image? \_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

2. Are there any people visible in the image? Circle your answer.                      YES                      NO

3. If you circled yes, please explain what the people are doing in the image that has, or is, impacting the environment. If you circled no, please explain whether or not you think people may have played a role in the events that are impacting nature in this image.

\_\_\_\_\_

**Part B.** Check which right(s) of nature that you think are being violated in this image. Then, in the box below, draw how the image would look if the rights of nature were being protected.

- The right to exist and flourish
- The right to a healthy ecosystem
- The right to regenerate or reproduce
