### Quotes from Participants

“Global competence is a necessity and not an option in the 21<sup>st</sup> century. Developing and nurturing global citizens requires collective leadership. We must model what we intend to lead. This leader’s study visit provides real world exchange experiences that will make us more resilient. It will also afford leaders unique opportunities to collaborate and examine effective strategies that address global challenges.”

*Austin Obasohan, Ed.D., Superintendent, Duplin County Schools*

“There is no more effective way to fully develop global competence than meaningful travel that creates opportunities to interact, be enlightened and ultimately discover our interconnectedness.”

*Pamela Senegal, Ed.D., President, Piedmont Community College*

## PROGRAM OVERVIEW

This program is designed for North Carolina educational leaders, specifically K-12 superintendents and community college presidents or their designees. The program will begin with a thorough orientation; participants will then visit schools, colleges, significant historic and cultural sites and global businesses connected to the state of North Carolina. Round table discussions will be planned with international educators and best practices will be shared in a variety of leadership areas. By building a cohort of global education leaders who have experienced a study visit with direct ties to North Carolina, World View participants will foster a pipeline of students K-14 who are prepared for the opportunities and challenges of today's world.

## PROGRAM OBJECTIVE

The objective of the Global Education Leaders Program Abroad is to build capacity among North Carolina K-12 and community college leaders. By participating in this program, leaders will see the value of preparing students to be globally engaged citizens who are career- and college-ready for the 21st century. This unique experience will allow educational leaders to experience first-hand North Carolina as a global state by underscoring economic and cultural ties to Ireland.

## ABOUT IRELAND

Ireland is an island in the North Atlantic. It is separated from Great Britain to its east by the North Channel, the Irish Sea and St George's Channel. Ireland is the second-largest island of the British Isles, the third-largest in Europe and the twentieth-largest on Earth. Politically, Ireland is divided between the Republic of Ireland (officially named Ireland), which covers five-sixths of the island, and Northern Ireland, which is part of the United Kingdom. In 2016, the population of Ireland was about 6.6 million.

#### ***Visit to "Gaelscoil" – Bilingual Elementary School***

The Irish language is the national language of Ireland, but English is the language most commonly used. However, it is now increasingly popular to send children to the 'Gaelscoil' – schools that teach all subjects through the medium of the Irish language. Over 50,000 students attend Gaelscoil on the island of Ireland. Dublin alone has over forty Irish language medium schools attended by over 13,000 pupils. The group will pay a visit to a Gaelscoil and meet students and teachers.

#### ***Letterkenny Institute of Technology***

The equivalent of the US community college is the Irish Institute of Technology. Ireland has a network of regional Institutes that provide third level qualifications, including two-year associate degrees, bachelor degrees and some postgraduate opportunities. We will visit Letterkenny Institute of Technology, which is unique in its reach not only in the Northwest of Ireland, but also in its collaboration with University of Ulster in Northern Ireland. We also plan to visit the Entrepreneur Business Start-Up Lab and learn about the partnerships with the Institute and employers in the region.

***Civil Rights and Social Justice Guided Field Trip***

Shared narratives as part of international study are a way of ensuring inclusivity and engagement from students from all ethnicities and backgrounds. The narrative of social justice and civil rights in Northern Ireland is a powerful experience of conflict, of resolution and of universal significance. Participants will visit Derry, Northern Ireland to understand the effectiveness of using shared narratives.

## CONDITIONS OF PARTICIPATION IN ACTIVITY OUTSIDE THE UNITED STATES

I understand and hereby acknowledge and agree as follows:

### **HAZARDS AND RISKS OF INTERNATIONAL PROGRAMS**

Participation in the Activity may entail dangers, hazards, and risks associated with international travel and activity outside the United States. These risks include, but are not limited to dangers associated with air travel and all other modes of transportation; foreign political, legal, social, and economic conditions, including terrorism, crime, civil unrest, kidnapping, and violence; foreign standards of design, safety, and maintenance of facilities (including unsecure computing and wireless facilities), buildings, and public places; foreign sanitation, medical conditions, and disease; and natural disasters such as earthquakes, tsunamis, and other extreme weather conditions. Any of these risks could result in damage to my property and privacy, illness, injury, and/or death.

### **HEALTH AND SAFETY**

I will not participate in the Activity if my medical practitioner advises that participation presents a direct threat to my health or safety or the health or safety of others. I will have and take with me requisite quantities of any personal medications for the duration of the Activity, and I assume responsibility to administer my own medications.

I have reviewed the U.S. Department of State (“DOS”) travel advisory concerning travel to and around each foreign countries that I will visit in connection with the Activity (available at <https://travel.state.gov/content/travel/en/traveladvisories/traveladvisories.html>). I understand that it is my responsibility to determine the medical and other risks associated with any country I intend to visit. I have obtained up-to-date vaccinations and immunizations advised by DOS and/or the Centers for Disease Control and Prevention (available at <http://wwwnc.cdc.gov/travel/>), consistent with any instructions provided by my medical practitioner or the Activity’s conditions of participation.

DOS issues travel advisories for all foreign countries. These travel advisories provide information regarding safety and security concerns in foreign countries. I have read the entire travel advisory for each country to which I am traveling and understand the travel advisory level associated with those countries. DOS may advise travelers to exercise normal precautions, exercise increased caution, reconsider travel, or avoid travel to certain countries and certain regions within certain countries. Notwithstanding DOS travel advisories and other such warnings, I accept the risks of participation in the Activity. If, for any reason, I must immediately evacuate a foreign country that I am visiting in connection with the Activity, I may need to personally arrange such evacuation notwithstanding any UNC risk management program that may apply to the Activity.

I acknowledge that the University’s “Policy Concerning Global Study, Travel, and Research” applies to the Activity and that my travel and/or funding may be terminated under the circumstances set out in that policy at: <https://global.unc.edu/files/2018/02/UNC-Travel-Policy-Final.pdf>

In the event of illness or injury, I authorize the program director or other agents to obtain emergency or other medical treatment for me as deemed necessary, including administration of an anesthetic or other medication and surgery, and I hereby assume the cost of such treatment. I further authorize the program director or other employees or agents of UNC to disclose any information about me or related to my illness or injury to either (a) obtain medical treatment in the event of illness or injury, or (b) inform others about such illness or injury or circumstances related thereto, as deemed by the program director or other agents to be reasonable, necessary, or helpful under the circumstances. I understand that this authorization is given in advance of any specific diagnosis, treatment, or hospital care being required but is given to provide authority and power on the part of UNC to give specific consent to the diagnosis, treatment, or hospital care which in the best judgment of a licensed physician is deemed advisable. In the event that UNC provides any medical, safety, emergency, or other assistance to me, which I hereby authorize, I understand that such assistance does not diminish my sole responsibility for my own health and safety otherwise, and I agree to pay all expenses related to UNC’s assistance to me and hereby release UNC from any liability for any such actions or for payment for such authorized treatment.

### **INSURANCE**

I am responsible for my medical care while outside the United States. Supplemental International health evacuation and repatriation insurance coverage is included in the price of the study visit. I have reviewed my medical insurance policy and coverage and I understand that this medical insurance may not cover all expenses related to my medical care while outside the United States. I am solely responsible for the payment of any costs incurred in treatment that my insurance does not

cover, and UNC bears no responsibility to me for sickness or injuries sustained by me in connection with my travel and participation in the Activity or for medical treatment.

#### **PHOTOGRAPH CONSENT**

I hereby grant UNC the irrevocable right and permission to photograph or videotape my participation in the Activity and to use the photograph(s) and/or videotaped image(s) in any and all flyers, publications, Internet websites, audiovisual presentations, promotional literature, or for any other similar purpose without compensation to me. I understand and agree that I may be identified by name in printed, Internet, or broadcast information that might accompany the photograph or image. I agree that all such portraits, pictures, photographs, video, and audio recordings and any reproductions thereof, and all plates, negatives, recording tape, and digital files shall remain the property of UNC. I waive the right to approve the final product.

I hereby release and forever discharge UNC, its trustees, agents, and employees, from any and all claims and demands arising out of or in connection with the use of said photographs/images, including but not limited to, any claims for invasion of privacy, appropriation of likeness, or defamation.

If the Activity or any aspect of it is cancelled or modified, the applicable UNC policies will govern any refund of tuition, fees, and other charges. If I remain in a foreign country after the Activity or my participation in it ends, I remain there at my own risk and cannot expect assistance or support from UNC. UNC may withdraw me from the Activity, with no refund, should my conduct not conform to the requirements set forth in these Conditions of Participation.

I understand and agree that, in accordance with the **refund policy**, as outlined below, if I cancel my participation in the Activity:

- Between receipt of deposit and January 6, 2020 I will receive a refund of all monies I have paid.

I understand that, in the event I desire to cancel, I must give the World View director written notice of withdrawal and the World View director will forward the notice and request to the contracted tour company or host agency.

Trip Cancellation Insurance. I understand and acknowledge that, if I elect to purchase trip cancellation insurance, such insurance may provide financial protection in case the trip is cancelled or I cancel my participation in the trip. I understand coverage is determined based on the policy I purchase. I further acknowledge and agree that, if I elect to apply for such insurance, I am responsible for its cost, and that World View does not provide this service.
