

Microplastics in Laundry Lint

Part 1: Pre-Lab Questions:

Question	Your Response
Predict: How do you think microplastics could get in the laundry lint?	
Predict: What do you think we will see happen when we use the ferrofluid and magnet with the laundry lint?	

Part 2: Record your Data

Sample	Observations: (I See)
Laundry Lint (before in water)	
Microscope Slide #1	
Microscope Slide #2	
Microscope Slide #3	
Microscope Slide #4	
Microscope Slide #5	

Part 3: Reflection Questions

Question	Response
Why could we not see the microplastics when we just observed the lint?	
Some of our microscope slides did not show anything besides water. Why do you think this was?
