

Title of Your Article:

Part 1: As you read, please complete the evidence and interpretation chart. You will pick 3 points that stand out to you related to Clean Water and Sanitation with your article- you will write this in the evidence section. Then, you will interpret that information by writing your thoughts, wonderings, and predictions in the interpretation section.

Evidence I read, I saw...	Interpretation I think, I wonder, I predict

Part 2: Summarize your article in 2-3 sentences. During this summary, make a connection to how this relates to the information we have been learning about handwashing and sanitation in class.
